2. It will be seen from the above that in all the Municipalities the estimated expenditure is limited to the income anticipated —

Income —

3. Shimoga - The decrease of Rs 750 is mainly owing to a falling off of Rs 715 under Octroi, which the Deputy Comr. calculates will be the result of his proposal

to abolish the duty on
areca and cocoa nuts
and betel leaves, alluded
to in this Office letter No 1304
dated the 19th March last,
if it is approved of by the
Chief Comr. This remark
applies also to the decrease
against Sorab & Shorthalli -

4. Nandi - The decrease
of Rs 275 is chiefly attri-
butable to the income
estimated under "Municipal
House Tax" and "Pounds"
being short of the Sanctioned
Estimate for 1877-78, by
Rs 100 & Rs 160 respectively.
But the Estimate under
the two heads is consistent
with the actuals realized
during the first six months
of 1877-78 and 1876-77 -

5 Sagar - The increase
of Rs 117 is expected from
the duty on "Piece goods".

6 Shimoga } Rs 84 have } Expenditure

for one more Scavenger
required for the Noonibar-
goondy Latrine proposed
to be built for the use
of females, and Rs 528
for the cost of pargings

the Jail Establishment
& guard 25 Convicts employed
as Sweepers - Hence the
increase under "Conservancy"

7. The increase under "Lighting" is the Deputy Comr's states, owing to the anticipated rise in the price of Oil and the provision made for one more iron lamp post -

8. Owing to the insufficiency of the amount allotted for the feed of Cattle, Rs 200 had to be reappropriated from the Budget grants for 1877-78. The provision against this head has therefore been raised from Rs 600 to Rs 800 - A Sum of Rs 400 has been set down for Sundry items -

9. ~~Sorabe~~ VIII Conservancy } The number of Sweepers has been reduced from Six to four, for want of funds -

10- To bring the Expenditure within the Income the following few original works have been provided for and that too in only three of the Municipalities -

Shamrao

Shimoga (1) Constructing a Latrine for females at Koombargoondy Rs - 90

(2) Constructing a parapet wall & the ditch near the Bandy stand Rs 183

Sagar - Constructing steps & the Varda river Rs 400 (Estimate for Rs 1200 Sanctioned in 1877, vide Chief Comm[r]'s Proceedings No 434 dated 17th May 1877).

Dharwar - Constructing V" Drains in the (main) street Rs 360 -

and Thirdly in the former of which it is less than and in the latter equal to, that of the past year. On the whole, there is a decrease of Rs 1111 in the anticipated income under this item which is explained to be due to the decrease in the articles, which is proposed to be abolished by the Govt having been excluded from the list of articles subject to Octroi. The proposal has been made in the Govt letter to the address of the Chagan Divisional Commissioner in 9115 dt 1st Dec last, under the instruction issued in this office no 26/22 dt 26th October 1877, on the ground that they fall within the category of no. 1 of the prohibited articles. The Commissioner however, does not agree with the Deputy Commissioner in this respect, as the article

Government of India are those "liable to customs duty and imported into India by Sea"; while the articles referred to by the Deputy Commissioner pay a local Sayer duty but are not imported by Sea. We therefore considers that they do not come within the Category of Exempted articles. This matter may be considered when passing orders on the Subject of the Revision of "Octroi duties" in the Province, which is pending receipt of reply from the Telegram Comm^{r} to the Gov^{t}. Comm^{t} Bro no $\frac{2627}{\text{no } 227}$ of the 26th October 1877. But in the meantime, there is no reason ~~[illegible]~~ to exclude the articles viz, areca nuts, cocoanuts, Vertel leaves, from the list of dutiable articles under "Octroi"; and

the Commissioner may be requested to make the necessary provision on account of these items in the Budgets of all the Municipalities.

Approve. All this is necessary, & take measures thereagainst in addition by collecting Roads by Labour, & not Account for consumption in the Municipal towns.

"Power Tax" & "Bounds"

5 The decrease of Rs 275, under these two heads in the Estimated Revenue of the town of Trankey, may be passed, as the Estimates are based on the actuals of the year 1876-77 & of the 1st 6 months of 1877-78.

6 The Estimates under other items of Receipts call for no special remarks, as they are more or less in accordance with the actuals of the year 1876-77 and of the first Six months of 1877-78

Expenditure.

Except Shimoga, no charges seem to be incurred annually on account of Collection collections, and it is presumed that the agency charges are made provision for in the Revenue Deptt accounts.

Head Office 9. The estimated charges under this head are the same as last year in all the Mysore districts except Shimoga, where there is an increase of Rs 49. This is chiefly due to the provision made for Contingent and Stationery charges of the Mysore Assistant at Rs 4 per mensem, in addition to the allowance of Rs 6 to the Clerk in Chief Commrs' Office. This is apparently an error. The contribution of Rs 48 annually ordered in this Office no: 2774/241 dy 10th November last is in lieu of Rs 72 hitherto paid, and not in addition thereto. The proper

of Rs 72 may therefore be struck out, and the total charges on account of "Head Office" in the Shimoga Municipality, reduced to Rs 751.

Yr. The item excepted.

10. The Expenditure of each Municipality being limited to its ordinary income, the amount proposed to be spent on Public Works, Original Works, is small, being in all Rs 1,033, and the Sagar number of Works provided for but few, as noted in the margin. These may be sanctioned

Public Works.

1. Original Works.

Shimoga — Constructing a latrine for the females at Combarsuddy — 90

do — a parapet wall to the Lib[rary] near the Bandystand towards the road side — 183.

Sagar — Constructing steps to Varada River (Estimate Saved, C.C. Bo. No. 434 dtd 14/5/78) Appn. read for current year. — 400

Thirthally — Constructing 4 drains on the main Street — 360.

Total Rs — 1033

11. The provision under this head amounts to Rs 3358, being the same as that of the past year, and may be passed, as the details now furnished are in accordance with those sanctioned in this Office Pros. no: 11,725 of the 19th February 1877.

IV Co =

Charitable Grants. 12 Under this head a provision of Rs 100 has been made, as in last year, in each of the Municipal Budgets of Sagar and Shikarpur, on account of the 1/3 2nd share of the Establishment charges connected with the Local Fund Dispensaries in these places. This may be sanctioned.

4/11

Conservancy 13. The total charges under this head amounts to Rs 6,610 against Rs 6,046 of last year. The net increase of Rs 564 is due.

1st to an increase provided in the establishment for Shimoga Town - - - - - + Rs 612.

2nd to a decrease in the establishment charges of Sirsi Municipality - Rs 48

Net increase Rs 564.

14 The increased Establishment proposed for the town of Shimoga consists of 10 an additional Scavengers on Rs 4 per mensem, said to be required for the Koombargoondy Latrines erected to the East

for the hire of females and (2) of 6 peons and 1 Sirdar, as noted in the margin, required to guard 25 convicts employed as Sweepers in the town of Shimoga, for which purpose a Re-appropria-tion recommended in Nagar Commr's no $\frac{50}{10}$ of 21st April 1877, was sanctioned in this Office no: $\frac{434}{\text{Re } 35}$ of the 19th ultimo 1877. The additional Establishment proposed to be entertained may be sanctioned.

* 1 Sirdar at ₹ 7 . . . 8/4
1 Peon at ₹ 4 . . . 8/4
5 Peons at ₹ 6. 360
Total ₹ 528

15 The decrease in the Sonab Municipality is owing to the number of Sweepers on ₹ 4 permanent, having been reduced, for want of funds from 6 to 4, and may be appointed.

⊕ at ₹ 5 permanent.

16 The increase of ₹ 195 noticed under this head in the Municipality of Shimoga, is explained to be due to the anticipated rise in the price of oil and the provision made

Lighting

made for one more iron lamp-post; they may be sanctioned.

17. The provision on account of "Miscellaneous Charges" in the Municipality of Shimoga, exhibits an increase of Rs 525 over that of last year, as shewn in the margin. It is explained that as, owing to the insufficiency of the amount allotted for the feed of cattle, Rs 200 had to be re-appropriated from the Budget Grants for 1877-78, the provision against this head has been raised from Rs 600 to Rs 800, and that a sum of Rs 400 has been set down for Sundry items. A re-appropriation of Rs 100 was also sanctioned last year in this Office no: 1345/109 of 30th July 1877 for Sundry charges on account of convicts employed as Sweepers. Hence, the provision of Rs 150 now made

18. In this Municipality, there is an increase of Rs 72 under the head "Miscellaneous Charges" which is due to the provision newly made for a pound Mootsuddy on Rs 6 per mensem. The necessity for this has not been explained. It may, however, be passed, considering that the income from "Pounds" in this Municipality has this year been estimated at Rs 150 against Rs 50 on the latter being based on the past year the Actuals of 1876-77, which amounted to Rs 160-6-0.

On a review of the Budget Estimates Submitted with the above, the Chief Commissioner observes that the ~~Estimated~~ income of the Municipalities in the Shimoga District, as Estimated by the Dy Comm^r amounts to ~~Rs~~ 18001, and the probable cash balance on 1st April ~~Estimated~~ cash to ~~Rs~~ 3997. in all ~~Rs~~ 21,998, as shown under:-

Total	18001	3997

2. ~~It is observed that~~ Under the item I Articles of food", the Estimate is nil in all the Municipalities except Shimoga and Chitteldrug, in the former of which it is less than, and in the latter equal to, that of the past year. On the whole, there is a decrease of Rs 1110 in the anticipated income under this item, which is ~~explained to be~~ owing to the ~~abolition~~ of duty on the marginally noted articles, ~~which is~~ proposed ~~to be~~ ~~abolished~~ by the Dy Comm^r on the ground that they fall within the category of 201 of the prohibited articles, having been excluded from the list of articles liable to duty. The Comm^r does not concur in this proposal, as the articles mentioned by the Govt. of India are those "liable to Customs duty and imposed

+ 1 Arecanuts.
2. Cocoanuts dry
3. -do- fresh
4. Betel leaves.

The Collector concurs with the Comr in thinking that these articles do not come under the category of enumerated articles and that all that is necessary is to take measures to provide against the Octroi being collected on goods in transit and not meant for consumption in the Municipal towns. Under however the General provisions

contemplation is required

imported into Kudra Sea", while the articles referred to by the Dy Commr. pay a local Sayer duty, but are not imported by Sea; and he is therefore of opinion that they do not come within the category of exempted articles. This matter will, however, be considered when passing orders on the subject of the revision of "Abkari duties" in the Province, which is pending receipt of a reply from the Sabaraon Commr to this Office no: 2627/Rel 229 of 26th October 1877. But in the meantime, there is no reason to exclude the articles, areca nuts, cocoanuts, & betel leaves, from the list of dutiable articles under "Abkari"; and the Ch. Commr concurs that all that is necessary is to take measures to provide against

On a review of the Revised Budgets submitted with the above, the Chief Commr observes that the income of the Municipalities in the district is now estimated at a sum of ~~Rs~~ 19,071, which, ~~together~~ with the opening cash balance of ~~Rs~~ 6491, amounts to ~~Rs~~ 25,562 Out of this amount, a sum of ~~Rs~~ 21,983 is proposed to be Expended

Expenditure

entered in the orgnal Budgeh. But to avoid the whole of the opening cash balance at credit of that Municipality being appropriated for current expenditure during the year 1878-79, the Chief Commr. directs that the proposed construction of drains in Anthragottamana Keri Street, the cost of which is estimated at Rs 412, be deferred for the present.
